GOOD BONES MELBOURNE Australia | Perspective + Watercolor Sketching Workshop
March 24 - 25, 2017 | Sketchcrawl March 26

Good sketches start with **Good Bones**! In this hands on workshop, you'll learn how to set up the bones of a great architectural sketch!

Held in the heart of Melbourne at the historic World Heritage Site, The Royal Exhibition Building in Carlton Gardens and the University of Melbourne campus, this workshop offers two full days of a true instructional class on architectural sketching. The first day is devoted to learning the fundamentals of on-location perspective through handouts, demos, and sketching on site. Day two introduces basic watercolor mixing and technique. Both perspective and watercolor come together on day three when you join others to sketch on location in town.

GOOD BONES | Thursday, March 23 | 6pm | MEET & GREET at Lulu Café and Gallery on Queensbury St.

GOOD BONES Day 1 PERSPECTIVE | Friday, March 24 | 9am - 4pm* | Entry to Royal Exhibition Building
- Learn perspective basics and a simple step-by-step process to construct an architectural perspective sketch, how to build the sketch in layers
- Learn what to look for when starting your sketch -- how to find your eye level and vanishing points to provide the basic structure of any sketch
- Learn how to measure proportions and relationships of architectural elements

GOOD BONES Day 2 WATERCOLOR | Saturday, March 25 | 9am – 4pm* | Old Quad @ Uni Melbourne
- Introduction to basic watercolor tools and techniques, using a simple palette of colors
- Learn how to use watercolor to enhance the sense of architecture and space in your sketches

OPEN SKETCHCRAWL | Sunday, March 26 | 10am-1pm | Meet at Old Quad @ Uni Melbourne
- Days one and two come together as you put your new knowledge into practice joining other sketchers on location in central Sydney.

  *One-hour break for lunch.

GOOD BONES Melbourne is open to 12-15 participants with any level of experience, but it's targeted to sketchers who want to improve their basic sketching and understanding of perspective and watercolor.
